Mike – Do you have any updates regarding the meeting request? Anne Heard has requested a briefing on Monday, prior to her meeting with the Jacksonville District regarding assumption among other issues. The issue paper we shared with her (attached) gives a heads-up of the meeting to be scheduled, and she may ask about the status of that. Thanks. Tom

**Subject:** Heads up - Meeting Request in the works

Hi Tom,

Just a heads up that I am putting in a Meeting Request for a meeting with Mike Shapiro and Lee Forsgren, our new Deputy AA (political) on Florida 404 assumption. This should serve as a kick-off and info briefing for a lot of the leadership, including many new political folks. The list of invitees is below; obviously other relevant R4 folks could sit in on the call. This list may change, but I wanted to let you that this request is in motion. I'm asking that the briefing not be scheduled until Aug 16, at the earliest, and no later than Aug 23.

We will coordinate further on an agenda and written materials. I suggest we not have too much paper for this meeting, and use it to primarily tee up the issue, office roles and the potential resource implications for EPA. I'll talk to you, Tony and Phil sometime next week to pull info together.
